

Exodus.

Mornings 17 Sept to 5 Nov

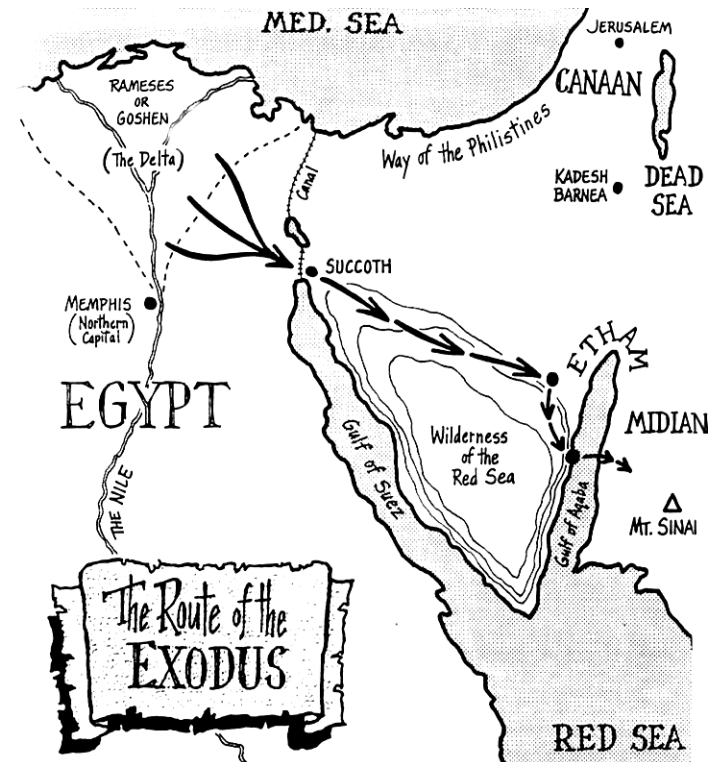

“People think that stories are shaped by people...in fact it is people who are shaped by stories,” writes the late author Terry Pratchett. Exodus tells us a great story – the story of God’s salvation, redemption, leadership and restoration of his people. God’s saving work in Exodus became an integral part of the formation and identity of his people. Throughout Scripture – in the History books, Psalms, Prophets, Gospels and Epistles - a reference to the Exodus is never far away. This story shapes Scripture and it shapes God’s people. This term we are going to be throwing ourselves back into this great story – and I pray that as we do we will allow it to shape us and that we’ll come to know more about our great, loving and powerful God.

Dare to draw near.

Evenings Sept to Dec

Ever find it hard to pray? I know I do. The Bible helpfully gives us lots of examples of people praying – in different ways and in different circumstances. During our evening services we’ll be eaves dropping in on the prayers of people like Abraham, David, Hannah, Daniel and Paul. I hope that as we do it will renew and refresh our understanding and experience of prayer.
