

## Sermon on the Mount

We've just celebrated his birth – and it won't be long until we are celebrating his death and resurrection.....but in between those remarkable, life changing events Jesus had a few things to say. This term we are going to look again at what may be familiar passages in Matthew's Gospel – as we listen to, and reflect on, Jesus' teaching in the Sermon on the Mount. What Jesus said was revolutionary, breathtaking, hard hitting and uncompromising – yet underpinned by love, grace and generosity. So this term we want to look with fresh eyes at Jesus. We want to hear more of who he is and what it means for us to follow him. So you're invited to take your seat on the mountainside. Listen carefully to Jesus, allow him to speak to you, allow him to confront you, allow him to comfort you. When Jesus finished the Sermon on the Mount, "the crowds were amazed," (Matt 7:28). May the same be true of us over these coming weeks.
